

# Catamarán Cata Maya– Puerto Aventuras

mahekal

The Cata Maya is a beautiful 65-foot catamaran, which can hold up to 100 guests. Fully equipped with 3 bathrooms on board, fresh water showers, sun decks shaded lounging areas.

The professional and experienced crew will welcome you aboard and give you a safety briefing for all the activities of the tour and amenities of our luxury 65' catamaran.

We set sail for approximately one hour as we head to the second largest barrier reef of the world, which supports incredible coral heads and a breath taking variety of sea life.

While you enjoy your snorkel adventure under supervision of our dive masters and snorkel guides, our chef will be preparing a delicious meal for you.

Back on board we serve you lunch with option of fresh grilled lobster or a New York Steak and a variety of side dishes and tropical drinks from our full open bar. This is truly a first class meal at sea! After lunch enjoy a leisurely sail back along the beautiful Riviera Maya.
