# Cozumel: Famous Fury

Crewmembers also accompany you into the crystal clear waters where you can see for 100–feet. Discover stunning coral formations and a colorful array of marine life on a spectacular reef–home to exotic Queen Angel fish, Stoplight Parrot fish and Blue Tangs. After snorkeling, it's "all you can drink" free iced cold beers, tropical margaritas, refreshing sodas and purified water as you sail to our private white powder sand beach. While you're there, relax in a hammock in the shade of a Mexican palapa and cool off with more free beers, margaritas and sodas.

Play a game of volleyball, sunbathe on a beach float and explore the cobalt blue waters in a kayak and have lunch on the beach all at no additional charge!
